Dear parent,

The CBSE has introduced additional subject – Artificial Intelligence as a skill subject in class IX from the academic session 2020-21(as an optional).

The main advantage of this is – if any student fails in any one of three elective subjects ie Maths, Science and Social Science then it will be replaced by the skill subject which is offered as 6th additional subject and the result will be computed accordingly.

In this connection you are requested to give your willingness for opting for the 6th optional subject on or before **06/10/2020(Tuesday)** to the respective class teachers in the format given below.
